

THE SPRING~HOUSE

SMALL GROUP FARM TOUR DAY!

Tuesday, May 30, 2017

Come out to the farm and tour the milking parlor to watch the cows being milked by machines, then go outside and milk one by hand! Visit the calf barn and help the farmer by feeding a calf. Take a trip to the free-stall barn and see the mature dairy cows, learn about their lifestyle, diet and nutrition. Next, it's time for a short drive to The SpringHouse to learn about pasteurization and homogenization and see a demonstration of the bottling machine. Our tour finishes up with an ice cream cone for each tourist!
